

Why Be a Signatory Contractor?

Being a Signatory Contractor in the Organized Construction Industry provides you with the following benefits:

- **Skilled Labor Supply:** Easy access to skilled, professional, safety-conscious, craft-trained workers within your community.
- **State-Of-The-Art Training:** Apprenticeship and training facilities for customized and specialized training including OSHA approved safety training, which can lead to reduced workers compensation rates. Journeyman upgrading courses are also available.
- **Cost Savings:** Skilled craft workers are flexible, committed and willing to go the extra mile to help you complete your projects cost-effectively.
- **Experience:** Quality craft workmanship means faster completion of projects and the ability to implement creative concepts in construction and building techniques.
- **Labor-Management Cooperation:** The West Michigan Construction Alliance helps promote job opportunities for our contractors through networking and sharing best practices.
- **Health & Safety:** We work to eliminate jobsite hazards, cut health care costs and reduce injury and disease.
- **Knowledgeable Staff:** Local business managers and field staff are talented problem-solvers committed to labor/contractor cooperation.
- **Legislative & Political Action:** We promote legislation that enhances job growth and economic development.
- **Quality Benefit Packages:** Health insurance, retirement plans and other programs that are available offer an easy, cost-effective way for you to provide these important benefits.
- **Business Development:** By pooling resources with us, you can build important alliances that result in projects and jobs.
